Send Me On Vacation's Empowerment program "A Mermaids Journey" has changed the lives of hundreds of survivors. These past recipients will continue to be an inspiration and find emotional healing through the Mermaids & Angels Empowerment and Mentoring Program. The program combines a new Send Me On Vacation recipient "Mermaid" and a past participant, an "Angel" together on an Empowerment Vacation. Mermaid & Angels will be paired together as roommates. Past applicants (Angels) will raise \$1000 to attend. These raised funds cover the accommodations and food, but the cost of transportation to travel to and from the vacation destination is the responsibility of both applicants.

### PLEASE READ AND INITIAL EACH ITEM BELOW:

- I understand that all of the terms and conditions of my original Send Me On Vacation Application are still in effect and binding upon myself.
- I have taken the opportunity to discuss this current Mermaids & Angels Empowerment Vacation Program with my treating health care provider and represent that my medical condition will not prohibit me from participating in the activities surrounding the Vacation Preferences described.
