**for us, it is about
the destination**

we offer healing vacations

to breast cancer survivors who have recently completed their initial treatment and beyond

because we believe

vacations have the power to heal the body, mind, and spirit and is a critical first step in recovering from the devastating effects of cancer

in combining resources

with help from the tourism industry, fundraising events, and donors

and supporting a community

we work with hospitals, cancer centers, and other breast cancer non-profit organizations

to change lives of survivors
one vacation at a time.

Thank you once again for helping breast cancer survivors heal from the devastating events of fighting cancer. Your contribution really makes a difference.
